Change to "AIP PPAs List"

Status

Edit

Default status: **For Implementation**

Previously, the school admin has the Leeway to select the status of PPA Implementation which prone to abuse. The suggestions in determining the status Of implementation on the right side will Address this problem.

Status:

Select Status

Select Status

For implementation

Ongoing

Completed

Incomplete

Unimplemented

- Data can be edited, with the exception of the APN (AIP Project Number).
- An "Ongoing" status will automatically be assigned when a need linked to a specific PPA has been initially accomplished.
- A "Completed" status will automatically be assigned once all needs linked to a specific PPA have been completed.
- An "Incomplete" status will automatically be assigned if one or more needs linked to a specific PPA has not been fully accomplished by May 31st of the following year.
- An "Unimplemented" status will automatically be assigned if all needs linked to a specific PPA have not been accomplished by May 31st of the following year.
- Note: School administrators can manually set a PPA to "Completed" if no needs are linked to it. (some PPAs doesn't necessarily requires need for its implementation)
